[redacted] wondered whether there was any way we can make our overall approach to the Cuban problem something which would show less of the US hand and which would be built more around the refugees.

2. General Taylor read from a paper on Cuba, prepared by Rostow and which has gone forward to the President. DDCI wants us to get a copy of this paper. There was a discussion indicating that Defense, State, and CINCLANT are preparing some kind of presentation re Cuba for the President. DDCI wants us to find out about this and participate if advisable.
